

Dear Friends of Education (Business) Committee:

The purpose of this nomination is to recognize Milano's restaurants and their owners for making many significant contributions to Miamisburg City Schools. This company is dedicated to the students, staff, administration and community of Miamisburg as is displayed by the following list of their generous contributions:

- Supporters of the Miamisburg Booster's Gridiron Golf Outing
- Supplied food for the Medlar teacher appreciation dinners
- Basketball donations for both the boys' and girls' programs including but not limited to purchasing chairs, signage advertisement and scoreboards
- Purchasing the signage for the baseball fields and donating for the purchase of the barn lockers
- Football scoreboard at Harmon Field
- Provided food for wrestling events
- Sponsored wrestling events and wrestling team poster
- Sponsored baseball team posters
- Donated food for basketball teams' hospitality rooms before events
- Sponsored basketball teams' posters
- Allowed numerous teams and clubs to raise money by having restaurant take-over evenings
- Supplied thousands of dollars of food equivalents for the Student Achievement Awards
- Donated thousands of dollars to Campus Quest
- Donate a discount on the 8<sup>th</sup> grade DC discount cards every year for the past 9

Along with the previous listing of contributions, Milano's has also indirectly benefited the families of Miamisburg with over one million dollars collectively given to the Dayton Children's Hospital and the Miami Valley Student Achievement Awards. Milano's is much deserving of this award of appreciation and I am hopeful the district will honor them the beginning of the 2017-2018 school year with the Business Friend of Education Award.

Sincerely,

Jeane Toadvine
