

Miamisburg City Schools Early Childhood Education Program Maddux-Lang Primary School

Thank you for your interest in our Inclusive Early Childhood Education Program! The following is general information about our preschool program. If you have any questions, please feel free to contact the Maddux-Lang Primary School office at 937-847-2766.

The Miamisburg City Schools Early Childhood Education Program offers the following:

- **A quality preschool experience for typically developing children & children with disabilities;**

The MCS Early Childhood Education program provides an opportunity for children with developmental delays to learn from their typically developing peers while promoting an atmosphere of acceptance for all children. The typical children enrolled should be able to provide strong language and socialization support for the children with developmental delays.

If you have concerns regarding your child's development, please contact the school office at 937-847-2766.

- **A Play-based program with emphasis on language development, socialization, and early readiness skills based on the Ohio Early Childhood Education Content Standards in the areas of English Language Arts, Mathematics, Social Studies and Science;**
- **Small class sizes (approximately 16 children);**
- **Language rich environment;**
- **Opportunities for children to investigate, explore and experiment; and**
- **Certified teachers in the areas of early childhood education and special education with additional support provided by instructional assistants.**
