

# Making A Difference!

*By holding the highest standards and consistently exceeding them, you help us achieve extraordinary results. Because of you, our district is stronger every day.*

The Miamisburg City School District has an excellent staff. We want to recognize our everyday accomplishments. Please nominate a staff member who exemplifies 40 Assets by supporting the healthy development of our students or a staff member who demonstrates Best Practices. Selected staff members will be highlighted at a board meeting, on the website or in the Viking Voice. Please send all completed nomination forms to Brenda Hibberd – Memorial Building.

**REASON STAFF MEMBER IS NOMINATED**

JCE staff would like to nominate the following ladies for making a difference in the lives of our students DAILY at dismissal! Whether these ladies are getting 45+ car rider names daily from vehicles, assuring that those same students are getting into the correct car to go home, running through the parking lot going from car to car or using themselves as our "traffic officer," they make sure that the correct Bulldog goes home in the correct vehicle. Not only do they relay information to the office, but they are also the main ladies who are checking parent identification if they have forgotten their car rider sign, volunteering every school day for the consistency of our students and parents.
