REASON STAFF MEMBER IS NOMINATED

COVID-19 has brought about many challenges and obstacles this school year. Melissa Junker spent most of her summer educating herself and seeking out learning opportunities through the Ohio Department of Health in order to learn as much as possible about COVID-19. Nurse Melissa then utilized this information and experience to assist our district administrators and other school nurses to create policies and procedures pertaining to the virus, to be put into place for the 20-21 school year.

She has also been a vital part in implementing these new COVID policies within the school buildings and our sports programs. The “newness” of these policies have resulted in lots of phone calls and questions and Nurse Melissa is always there to assist.

She has been a wonderful resource to administrators, nurses, athletic directors, coaches, parents and students with COVID-19 questions and concerns. She holds our students’ and staff’s health as a high priority. Nurse Melissa’s dedication, initiative, organization and knowledge have been a true asset to the district’s navigation through COVID-19. Thank you Melissa!
