

Making A Difference!

By holding the highest standards and consistently exceeding them, you help us achieve extraordinary results. Because of you, our district is stronger every day.

The Miamisburg City School District has an excellent staff. We want to recognize our everyday accomplishments. Please nominate a staff member who exemplifies 40 Assets by supporting the healthy development of our students or a staff member who demonstrates Best Practices. Selected staff members will be highlighted at a board meeting, on the website or in the Viking Voice. Please send all completed nomination forms to Brenda Hibberd – Memorial Building.

REASON STAFF MEMBER IS NOMINATED

When Miamisburg City Schools had to make the decision to move to remote learning for four weeks beginning in November, the District began working to find ways to meet the needs of families during this time. From the minute the remote announcement was made Sarah Pelphey, who spends her mornings as a fifth grade teacher at Kinder and her afternoons working with the Miami Valley Leadership Foundation, worked tirelessly to ensure that the creation of community safe centers were up and running by the first day of remote learning. Coordinating the creation of four safe centers in area churches around the community where elementary students had access to safe, socially distanced areas with internet access and adult supervision, was no easy task. The planning and coordination for a task like this was monumental and Sarah worked around the clock to ensure that over 100 children had access to these centers during remote learning. Sarah's dedication to the education of our students and her commitment to Miamisburg make her an invaluable member of our community. She truly makes a difference for both the children and families of Miamisburg!
