As an added safety measure for our students and staff, our special area schedule has been adapted for the 2020-21 school year. Rather than rotating to a different special area class daily, students will attend the same special area class for consecutive days as illustrated on this calendar. The specific special area classes that your child is scheduled to attend will be provided by your child's teacher, and each school will continue with established procedures for reminding students as to the schedule to help them be prepared for the class they will attend.
