REASON STAFF MEMBER IS NOMINATED

I cannot say enough good things about Jennifer Coppock. Earlier this school year, Jennifer saw a need with a very difficult student and decided to step out of her comfort zone. Jennifer, an MH aide, decided to leave MH to work with another student whom she thought she could make a big difference with his behaviors, work ethic/grades, and overall self awareness. While we all know that students can push our buttons and get us to a place of frustration, Jennifer always comes into school the next day with a smile on her face and a renewed attitude. She makes it a priority to document everything to ensure that we have the data that we need to proceed and goes above and beyond documenting his homework and assignments completed/turned in daily. Her attendance is stellar and her dedication to the student is like no other. She is constantly communicating with everyone involved, bouncing ideas off of others, and finding ways to make the student accountable. Her intergrity is top notch and the rapport she has built, not only with the student, but also with the staff is amazing. Jennifer is an asset to ANY classroom or building and will continue to be.
